

SpagoWorld Newsletter N°1 - November 2008

Dear Subscriber,

We are pleased to send you the first edition of our monthly newsletter dedicated to the SpagoWorld open source projects. We included you in this mailing list as you are somehow connected with the SpagoWorld ecosystem. Our intention is to briefly inform you on our projects, hoping that you would appreciate our initiative. So without adding other, we invite you to find out the latest news, upcoming events and what else is new in the SpagoWorld ecosystem. Should you not appreciate receiving this newsletter, please accept our apologies and reply to this email indicating in the subject "unsubscribe" or use the link in the bottom of the page to automatically unsubscribe the mailing list.

Best regards,
SpagoWorld Communications.

News

SpagoBI 2.0 Will Be Released Soon

The SpagoBI 2.0 Release is expected for the 18th of December 2008. More details will be available shortly. Read more about [SpagoBI 2.0](#).

Spago 3.0 Has Been Released
