

## SpagoWorld Newsletter N°22 - October 2010

### Dear Subscriber,

Also this month SpagoWorld team participates in various events, such as Eclipse Summit Europe, FOSSa Conference and OW2 Annual Conference. This newsletter also includes many other news: a new SpagoBI Success Story in the U.S.A., new SpagoBI training courses in Italy and a lot of other available resources.

Have a nice reading!

Best regards,  
SpagoWorld Communications

### News

#### SpagoBI Studio 2.6.5 available now!

SpagoBI Studio 2.6.5 is available now. You can download it [here](#). Main new features are:

- SpagoBI Studio and SpagoBIBirtReportEngine use the new BIRT 2.6 version
- SpagoBI Studio has been upgraded to Eclipse Helios
- Some new functionalities supporting the usability of composite documents.

Further details are available in the release notes.

#### New scheduled training courses on SpagoBI in Italy

An in-class course on SpagoBI Suite takes place from 15<sup>th</sup> to 17<sup>th</sup> November 2010 in Assago, Milan (Italy). Moreover, some in-class courses on SpagoBI Basic Engines and SpagoBI Advanced Engines are scheduled in October and November at Engineering Group's ICT Training School, in Ferentino/Fiuggi, Italy, which is SpagoBI Authorized Training Center. To subscribe to SpagoBI training courses, please [contact us](#). SpagoBI scheduled training courses are regularly updated on the [project website](#): stay tuned!

#### New session of SpagoWorld webinars

A new session of SpagoWorld webinars is scheduled for November and December 2010. All details will be available soon in [SpagoWorld Webinar Center](#). The webinars are delivered in English by SpagoWorld projects core team. Participation is free and access is on a "first-registered-first-served" basis. Stay tuned!

### Events

#### Eclipse Summit Europe 2010

**Location:** Ludwigsburg, Germany

**Date:** 2<sup>nd</sup> - 4<sup>th</sup> November 2010

Engineering Group participates in the [Eclipse Summit Europe 2010](#), both in the conference program and with a booth in the exposition area. In particular, Antonio Majori, member of the Eclipse SOA initiative and founder of Spagic project, gives a sponsored talk entitled "Living IT Architectures - Eclipse OSGi and SOA TLP in Healthcare and e-Government". Andrea Zoppello, eBPM project leader and Spagic Architect, and Angelo Bernabei, eBAM project leader and SpagoBI Architect, participate in the RT Tutorial and Demo Camp. In Ludwigsburg you will also have the opportunity to meet Gianfranco Bocalon, Spagic project leader.

The program of the event is available [here](#).

To register to the event, click [here](#).

#### fOSSa Conference

**Location:** Grenoble, France

**Date:** 8<sup>th</sup> - 10<sup>th</sup> November 2010

Also this year Engineering Group contributes to the organization of [fOSSa Conference](#), the event aiming at reaffirming the open source fundamental values, based on innovation and research in software development. The event faces four main topics: development, innovation and research; education, with a particular focus on the role of universities; the democratization that open source software can bring to citizens and the public sector; the community growth.

Engineering Group participates in many sessions. Gabriele Ruffatti chairs the conclusive panel of the education track. In the workshop session, Davide Dalle Carbonare gives a speech on Agile Project Management in the open source domain and on Spago4Q, the open source platform for project monitoring. Moreover, Andrea Gioia will present the GeoBI initiative, which is currently leading the realization of an open source stack on Location Intelligence.

#### OW2 Annual Conference

**Location:** La Cantine, Paris, France

**Date:** 24<sup>th</sup> - 25<sup>th</sup> November 2010

Engineering Group participates in OW2 Annual Conference in Paris, at the Cantine (151, rue Montmartre, Passage des Panoramas 12, Galerie Montmartre, 75002 Paris). The event offers the opportunity to professionals to illustrate and share their experiences on middleware, open source software and open source cloud.

Stefano Scamuzzo, SpagoBI International Manager, gives a speech entitled "Revitalizing OW2 BI Initiative: new participants and new activities" within the OW2 Business Intelligence Initiative session. We look forward to seeing you in Paris!

#### Eclipse Day 2010 in Rome: presentations and photos available now!

**Location:** Rome, Italy

**Date:** 5<sup>th</sup> October 2010

The Eclipse Day 2010 in Rome, the first event taking place in Italy focusing on the enterprise adoption of Eclipse-based solutions, has turned out to be a successful event. 150 people coming from various sectors have followed the different presentations. Two interesting use cases on service-oriented architectures based on Eclipse solutions have been presented by testimonials of the Veneto Region and DHL Deutsche Post. The presentations supporting the speakers' talks are available on the [event website](#) and in a dedicated Channel on [SlideShare](#). Have a look at some photos of the event in [SpagoWorld Photogallery](#)!

### Ecosystem

#### New SpagoBI Success Story in the U.S.A. by Gamebay

Lookout Business Solutions designed and implemented a Business Intelligence solution based on SpagoBI Suite and Talent Open Studio for Gamebay, a top retailer on the video game market, offering video games and accessories for all the commercially available gaming platforms, originating from the San Francisco Bay area.

[Read the Success Story](#)

#### New brochure on SpagoBI Suite!

A new brochure on [SpagoBI Suite](#) is available now for free download on the project website. Useful for promoting the suite, it offers an overview on SpagoBI main features, strength points, architecture and support services.

[Download SpagoBI Brochure](#)

#### GeoBI Initiative: Call for Participation

GeoBI initiative is launching a new Call for Participation in occasion of fOSSa 2010. Have a look at [GeoBI website](#) for all information and updates!

#### SpagoWorld Photogallery and Resources areas

[SpagoWorld photogallery](#) has been enriched with a lot of new photos concerning the latest events, in particular Slovenia Business Linux Conference 2010, Eclipse Day 2010 in Rome and Open Opportunity.

Moreover, the [Resources area](#) is regularly updated with the presentations shown in these events as well as with some new articles by some members of SpagoWorld team.
