

SpagoWorld Newsletter N°24 - December 2010

Dear Subscriber,

This last SpagoWorld newsletter of 2010 gives us the opportunity to thank you all for following us through various project releases, experiences and opportunities leading the evolution of SpagoWorld ecosystem. In the meantime, we offer you an overview on the activities carried out during the last month, which complete the wide range of news, events and updated information available on [SpagoWorld website](#). Stay tuned next year as well: the projects have a lot of news in store for you!

SpagoWorld team wishes you season's greetings and a happy and successful new year!

Best regards,
SpagoWorld Communications
