

SpagoBI Webinar

Title: SpagoBI Suite

Speaker: Chiara Chiarelli, SpagoBI Developer

Date: December 13th, 2010

Time: 4:30 p.m. (CEST)

Abstract:

This webinar presents SpagoBI, the only entirely open source Business Intelligence suite that covers all the analytical areas of Business Intelligence projects, with innovative themes and engines. All modules are presented with particular attention to the latest version improvements.
