

SpagoBI Webinar

Title: Open Source Business Intelligence Intro

Speaker: Stefano Scamuzzo, SpagoBI International Manager

Date: December 22nd, 2010

Time: 4:30 p.m. (CEST)

Abstract:

Open Source BI solutions are emerging as an alternative to reduce costs of Business Intelligence projects and to enforce innovation. This webinar illustrates the state of the art of Open Source BI and provides an overview of the main solutions available for DWH and BI suites.
